Te Whatu Ora – Whanganui is committed to increase the diversity of our workforce, and actively focus on employing and building a sustainable Māori workforce which supports our pro-equity commitment.

Ngā Uarātanga | Our Values

Aroha - The value of love, respect and empathy, demonstrating compassionate and non-judgemental relationships.

Kōtahitanga - The value of unity and vision sharing where we demonstrate trust and collaboration.

Manaakitanga - The value of respect, support and caring where we demonstrate doing our very best for others.

Tino Rangatiratanga - The value of self-determination where we empower individual/whānau choice.

Ko wai mātou | Who are we

Our vision is He Hāpori Ora - Thriving Communities, with our mission being 'to improve health and independence through a responsive and integrated health system'.

We ensure health care places people and their whānau at the centre of everything we do with and for them. We support and empower individuals and whānau to determine their own wellbeing and are committed to working in authentic partnership with other health care providers, iwi, government, social and community agencies to build strong, resilient, connected people and whānau.

As part of Te Whatu Ora – Whanganui's commitment to Whānau Ora, our vision and mission recognises that to achieve healthy communities, all people -regardless of income or social status - need to live in healthy homes and environments where people feel safe, connected, resilient and able to determine their own needs and the needs of their whānau.
